**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen who needs internet access for my work. I changed my service from Comcast to Sonic (a local provider) because Comcast was constantly raising the price of my service. I was thrilled when Sonic came to my neighborhood and I could say goodbye to Comcast and have excellent internet performance through fiber network. I had tried AT&T internet, which was an inferior service as well and not worth the money.

We need to keep broadband competition in order to maintain affordable services. Competition is the American way!

Thank you for listening,
